This attractive four-star, family-run caravan park is set in nine acres of well-drained mature parkland near the medieval river port of King's Lynn. Owners Paul and Claire Yallop's son Daniel, 23, helped to plan, build and decorate a large new state-of-the-art facility block. They used David Taylor and Energy Worx for the £250,000-upgrade and the ladies' and gents' toilets, vanity units and showers opened last August. Daniel is now finishing the decorating in a deluxe disabled/family bathroom and laundry/freezer room.

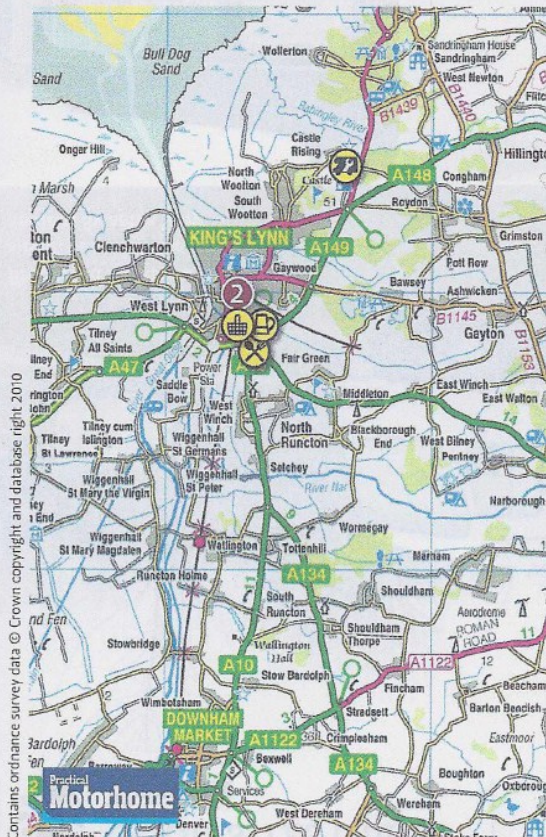

Paul said, "We started as a five-van site but have expanded to 150 pitches. We hosted 46 rallies in three separate fields last year, including Burstner, Bessacarr, Hobby and Benimar motorhome owners' clubs and some regional Caravan Club rallies."

From here you can visit King's Lynn, with its 12th-century quay and modern retail park, also Britain's Biggest Beer Shop, Caithness Crystal, Sandringham and RSPB reserves. There's a golf course a mile away.

"Along with our brand new eco-friendly facilities block, we've planted new hedges as a wind break round the rally fields. If we get permission, we're expanding to 270 touring pitches and will create a proper reception building by the entrance."
