King's Lynn Caravan & Camping Park is a 5-Star rated site set in ten acres of beautiful, mature parkland situated on the edge of the beautiful village of North Runcton.

You can enjoy just a single night or stay for the whole season. We also cater for Rallies for those wishing to get together.

Situated in a prime position for exploring Norfolk and the Fens, which are both areas of outstanding natural beauty, it is also the nearest campsite to the historic port and market town of King's Lynn.

As well as the coast, there's plenty of fishing, golf, horse riding, bowling, walking and the Norfolk Arena (Adrian Flux Arena).

Nearby attractions include The Royal Estate of Sandringham with its beautiful house and gardens, villages built of local flint, the north Norfolk coastline, RSPB and many other nature reserves. Additionally, numerous National Trust and English Heritage properties, local markets, historic buildings and beautiful scenery.

For the children, there is the SeaLife Centre at Hunstanton, Church Farm Rare Breeds Centre, Bircham Windmill, The Dinosaur Park and, of course, our very own playground.

There is a choice of excellent local pubs and restaurants offering real ale and good food, also an Oriental restaurant within a mile of the site. KFC, Pizza Hut, McDonalds, 24-hour Tesco's and Sainsbury's, all 1 mile away.

We are proud of our 5-star shower block facility which includes a Radar authorised disabled facility, laundry room and baby bathroom.

Additionally there is a shop for all your basic supplies, including Gas.

On arrival you'll be able to borrow a folder telling you all about the local services, events and attractions that Norfolk has to offer.

A bus service operates from the Site to King's Lynn, Monday to Saturday.
